

oomph::Tree

```
graph BT; A[oomph::OcTreeRoot] --> B[oomph::OcTree]; B -.-> C[oomph::Tree]
```

The diagram illustrates a class hierarchy. At the bottom is a solid box labeled 'oomph::OcTreeRoot'. An arrow points from its top edge to the bottom edge of a middle solid box labeled 'oomph::OcTree'. From the top edge of the 'oomph::OcTree' box, an arrow points to a dashed horizontal line. Above this dashed line is a dashed box containing the text 'oomph::Tree'.
